Dear St Luke's Families,

We have started the New Year as an academy and a new member of the Oxford Diocese Schools Trust. We are keen to keep moving our school forward, to improve our educational provision and to ensure we are a very good school and ultimately an outstanding one!

Thank you to all of our wonderful parents, who continue to help our school be the best that it can be. Our PTA, Parents' Forum, volunteers in class, those that support at home with homework and extra reading; you are all doing a great job.

Please remember that we are a nut free school.

Have a safe weekend and please stop me in the playground if you have a new ideas or just want to have a chat.

kindest Regards, Amanda Hough

**Well done to the children who received awards for
being determined to achieve:**

Dylan—Seahorses, Damon—Turtles, Lucy—Clownfish

Happy New Year from the PTA.....

And thank you for your help and support at the Christmas Fayre. We had a fantastic turnout, with lots of help running stalls and thanks to you all we raised an amazing **£694.00**.

This money will be really helpful in reaching our fund raising target. We would like to make improvements to the school library. This would include new shelving and subscriptions to interesting magazines, making it a more useful and comfortable resource for the children.

Over the next term we will continue our fund raising endeavors with this target in mind. Currently we are planning

23rd January: Cake Sale

10th February: EYFS and KS1 Movie Night (provisional date)

3rd March : KS2 Movie Night (provisional date)

With more fun things to follow. We will keep you posted

**The next PTA meeting will be held during the week of 26th January 2015.
Please come and get involved.**

SCHOOL LUNCH MENU

If you need to know what is on offer for lunch there is a copy of the menu on our website :

www.st-lukesprimaryschool.com

Look for Virtual Office,
then click on School Lunches,
then click on the menu

SCHOOL WATER FOUNTAINS

Please be advised that during winter months water fountains in the playground will be turned off as the pipes crack causing flooding.

There are water fountains inside the school and water is also available at lunchtimes.

Please feel free to supply your child with a bottle of water
