

## SCHOOL TERM DATES FOR THE ACADEMIC YEAR 2015/2016

### Autumn 2015

Term 1	Children back to school Thurs 3rd Sept 08.50am Finishes Fri 23rd Oct	(Half term holidays Mon 26th—Fri 30th Oct)
Term 2	Mon 2nd Nov Finishes Fri 18th Dec	(Christmas holidays 21 Dec—1st Jan 2016)

**St. Luke's raised £326.65 for **Red Nose Day 2015**, and the UK Government has pledged to double the amount raised. Well done everybody!**

### Maths Problem

For some fun maths problems to keep you entertained over the summer holidays, try [nrich.maths.org](http://nrich.maths.org)

## **KS2 SPORTS DAY**

**KS2 classes spent the morning of Wednesday 8th July at Riverside School's ground for their sports day—there were lots of different games and challenges, with the opportunity to win points for each student's house.**

**Mums and Dads had their own races too—it was great to see so many parents and carers coming along to participate!**

**The teachers' relay race was won by Ms Hough and Mr Webster. (*I had help! AH*)**

**Winners—Mercury**

## **KS1 SPORTS DAY**

Great fun was had by all, taking part in the KS1 Sports Day on Friday 3rd July —it was lovely to see so many parents joining in too!

Thank you to Miss Kimber for organizing the games.

Points were awarded for each game, and extra points won for excellent team work and team spirit.

The winning house for the younger participants was Saturn with 87 points, which meant the overall winning house for the whole school sports days was **Saturn** - well done, everybody!

## PTA Fundraising

At the summer fayre we raised **£866.00**. The Leftover sale raised **£71.80**

We hope you all enjoyed the Summer Fayre, we would like to thank everyone for their efforts and support. All money raised will be going towards new library facilities. **WELL DONE AND THANK YOU!**

Minnows & Tadpoles recently enjoyed a visit from a vet, Tracey Whitehouse, along with her assistant Katherine and dog Milly.

Tracey and Kat are from Summerleaze Veterinary Hospital in Maidenhead.

The children found out lots about a vet's job and how to look after animals! Milly, the dog, behaved beautifully and was very gentle.

Thank you to Tracey, Kat and Milly for coming to see us.

The Reception classes have also had some visitors staying with them recently! We were very lucky to have some quail eggs in an incubator, which hatched out after a few days and we could watch the baby quail grow bigger and stronger by the day.

Thanks to Mrs Watson, School Business Manager, for supplying the eggs and incubator.

**Thank you for your support—St. Luke's staff**
